ADDITIONAL REQUIREMENTS:

CRJ 145 – Juvenile Delinquency does not have additional costs other than textbook, tuition, and fees.

TECHNICAL REQUIREMENTS:

All criminal justice courses whether traditional on-the-ground, hybrid or online, require students to access the course in D2L through a personal computer. Therefore, students should have a reliable access to a computer with a dependable Internet connection to be successful in this course or any criminal justice course. Students will be required to access, download, and/or print material from the course in D2L, which is accessible through My Courses and the student's WaveNet account. Students should pay particular attention to the course outline under Content as well as the course calendar. Students will be able to monitor grades and attendance through the course in D2L.

Criminal justice courses, whether traditional, hybrid, or online **require** students to complete some, if not all, course work – assignments, exams, and other activities - through an online environment in D2L. Traditional on-the-ground and hybrid require students to complete a portion of the required work online. The amount of online activity depends on the format of the course; therefore, students should pay particular attention to the course information and documents. Courses with an online component move very rapidly with graded requirements typically due each week. Students **must** be aware of the calendar and mindful of updates and announcements; therefore, a student **must** have access to a reliable computer and a dependable Internet connection. Criminal justice courses use D2L as a platform for course activities.

When having technology problems find another computer. Computers are open to students at numerous locations on all three campuses including open computer labs and the libraries. There are computers available for use in other public locations including the public libraries. A final option would be to contact a friend or relative to borrow a computer. When technology issues are related to the system (i.e., D2L and WaveNet), and not the result of a broken computer, you should contact Student Online Support OIT Help Desk at (843) 349-5340 or through their link on the WaveNet homepage. Technology issues or technical problems are not an acceptable excuse should there be a course requirement that **must** be completed through D2L. When having difficulty with accessing the course or its components, or e-mail function, it is a good idea to notify your professor about the problem or difficulty.

STUDENT IDENTIFICATION VERIFICATION

Students enrolled in online courses will be required to participate in a minimum of one (1) proctored assignment and/or one (1) virtual event to support student identification verification. Please refer to your Instructor Information Sheet for information regarding this requirement.

CLASSROOM ETIQUETTE:

All students are expected to conduct themselves in a **professional and courteous** manner at all times, and toward all members of the class, whether online or on-the-ground in a traditional classroom setting. The standards of professional behavior will be enforced. Any violation associated with inappropriate behavior including statements or remarks in class or in e-mails as well as postings or other communications will **not** be tolerated. At the discretion of the professor of record, the inappropriate behavior may be reported in writing as a violation of the Student Code of Conduct under Proscribed Conduct, which could result in disciplinary action as described in College Catalog and Student Handbook (HGTC, 2014-2015, pp. 31-37).

****Students, for the specific number and type of evaluations, please refer to the Instructor’s Course Information Sheet.***

COLLEGE GRADING SYSTEM:

90-100.....	A
80- 89.....	B
70- 79.....	C
60- 69.....	D
Below 60.....	F

Grades earned in courses impact academic progression and financial aid status. Before withdrawing from a course, be sure to talk with your instructor and financial aid counselor about the implications of that course of action. Grades of D, F, W, WF and I (Incomplete), also have a negative impact on a student’s academic progression and financial aid status.

The Add/Drop Period is the first 5 days of the semester for **full-term** classes. Add/Drop periods are shorter for accelerated format courses. Please refer to the academic calendar for deadlines for add/drop (<http://www.hgtc.edu/academics/academiccalendars.html>). You must attend at least one meeting of all of your classes during that period. If you do not, you will be dropped from the course(s) and your Financial Aid will be reduced accordingly.

PART IV: ATTENDANCE

According to the Horry-Georgetown Technical College Catalog (2016-2017) “College Students are responsible for all course work and class assignments; so, they are expected to regularly and promptly attend all meetings of classes in which they are enrolled. Students should limit absences to those that are unavoidable and, with professor's consent, should make up all missed work, if permitted. Per SC Technical College Policy, HGTC maintains a general attendance policy requiring students to be present for a minimum of 80% of classes to be eligible to receive credit for any course. However, a more rigid attendance policy may be required by the program of study. At a minimum, a student may be withdrawn from a course after he/she has been absent in more than 10% of the total contact hours for a course. Professors define absentee limits for their classes at the beginning of each term. Students withdrawn from a course due to excessive absences will receive a grade of Withdraw ("W") up to the 2/3 point of the semester. Thereafter, a Withdraw ("W") or Withdraw Failure ("WF") will be assigned, depending upon his/her academic status at the time of the last date attended. Students may be required to repay source of financial assistance for non-attendance, excessive absences or withdrawals. Attendance records begin the first day of class for ALL students, regardless of registration date. Online and hybrid classes also require attendance and each instructor defines the method for students to indicate their class attendance by logging onto the class, participating in chats and/or submitting documents. Each student is responsible for awareness of the attendance requirements for each class” (p.45).

The attendance for ***traditional*** courses will be determined by each student attending and participating in a traditional classroom meeting for the amount of time scheduled. Whereas, attendance for ***hybrid*** criminal justice courses will be determined by each student attending and participating in a traditional classroom meeting for the amount of time scheduled as well as completing all online graded requirements and/or participating in the schedule activities for each particular week.

Online attendance, whether completely online or a hybrid, is demonstrated through the student completing the graded requirements and/or participating in the schedule activities for each particular week. Participation in the scheduled activities includes but are not limited to posting an assignment to the Dropbox, responding to a question in the discussion forum, completing an exam, test, or quiz or as directed by the professor of record. ***However, an e-mail cannot be counted as attendance for online criminal justice courses.***

Beginning with the first week of class, the number of class meetings online or on-the-ground will be determined based on the 80% attendance requirement. If a student misses 20% of scheduled meetings, whether online or on-the-ground, he/she) may be withdrawn by the professor of record for excessive absences without further notice. Please remember the graded requirements or activities are recorded for a score and attendance. Any student missing more than two (2) weeks without notification will be withdrawn for excessive absences.

Please be advised that simply logging into the course does not constitute participating for the purposes of attendance.

The attendance policy and requirements are published in the instructor's addendum to course Instructional Package (IP) as well as in the course in D2L.

Again, should any student ***not*** follow the announced attendance guidelines, which is in compliance with the College Attendance Policy, he/she) will be withdrawn from the course. A grade of “W” or “WF” will be assigned in accordance with course withdrawal procedures of Horry-Georgetown Technical College” (HGTC,

2015-2016, pp. 44-45). Again, students withdrawn due to excessive absences will **not** be readmitted to the course regardless of reason or excuse.

Since the College maintains an attendance policy for all courses, including program offerings through an online format, technology issues are **not** an excuse for **not** participating or missing a deadline for a graded requirement. Therefore, if for some reason access to the course or its functions is **not** available, immediately notify the Help Desk via the Live Help at <http://www.hgtc.edu/>, e-mail to HelpDesk@hgtc.edu, or telephone at (843) 349-5340. The Help Desk hours of operation are posted on WaveNet. Also, notify your course professor; so, he/she is aware of the technology problems. Nevertheless, please be aware that technology issues or problems are **not** an acceptable excuse for **not** participating as **required** for attendance, **not** completing an exam during the required time period (testing window), or failing to respond to a discussion assignment before the required due date.
