Seminars in Sonography

202230  
Summer 2023

# INSTRUCTIONAL PACKAGE

## Part I: Course Information

Effective Term: 202230

COURSE PREFIX: DMS 200

COURSE TITLE: Seminars in Sonography

CONTACT HOURS: 1

CREDIT HOURS: 1

### **RATIONALE FOR THE COURSE:**

This course will be a comprehensive review of ultrasound physics and vascular anatomy, physiology, and pathology in preparation for vascular sonography board examination.

### **COURSE DESCRIPTION:**

This course is an in-depth review of ultrasound physics, anatomy, physiology, and pathology and provides test preparation for the national certification exams. Emphasis is placed on the interpretation of clinical tests and scanning techniques relative to the development of a differential diagnosis.

**PREREQUISITES/CO-REQUISITES:** Acceptance into the Vascular Sonography program

\***Online/Hybrid** courses require students to complete the DLI Online Student Orientation prior to completing an online course. The DLI Online Student Orientation can be found in WaveNet, under the My Student tab.

### **REQUIRED MATERIALS:**

Please visit the [BOOKSTORE](#) online site for most current textbook information. Use the direct link below to find textbooks.

Enter the semester, course prefix, number and section when prompted and you will be linked to the correct textbook.

### **ADDITIONAL REQUIREMENTS:**

### **TECHNICAL REQUIREMENTS:**

Access to Desire2Learn (D2L), HGTC's learning management system (LMS) used for course materials.

Access to myHGTC portal for student self-services.

College email access – this is the college's primary official form of communication.

## **STUDENT IDENTIFICATION VERIFICATION:**

Students enrolled in online courses will be required to participate in a minimum of one (1) proctored assignment and/or one (1) virtual event to support student identification verification. Please refer to your Instructor Information Sheet for information regarding this requirement.

## **CLASSROOM ETIQUETTE:**

As a matter of courtesy to other students and your professor, please turn off cell phones and other communication/entertainment devices before class begins. If you are monitoring for an emergency, please notify your professor prior to class and switch cell phone ringers to vibrate.

**NETIQUETTE:** is the term commonly used to refer to conventions adopted by Internet users on the web, mailing lists, public forums, and in live chat focused on online communications etiquette. For more information regarding Netiquette expectations for distance learning courses, please visit [Online Netiquette](#).

## **Part II: Student Learning Outcomes**

### **COURSE LEARNING OUTCOMES and ASSESSMENTS\*:**

#### **Module #1**

**Materials Covered:** Ultrasound Physics and Hemodynamics Review

**\*Assessment(s):** Complete Review assignment  
Unit Test

#### **Learning Outcomes:**

- Knowledge of hemodynamics as it relates to normal anatomy
- Ability to recognize and document normal vascular flow patterns using spectral, color, and power Doppler
- Ability to recognize and document abnormal vascular flow patterns using spectral, color, and power Doppler
- Ability to optimize recordings
- Knowledge of instrumentation and its appropriate use

**Module #2**

**Materials Covered:** Vascular Anatomy and Physiology

**\*Assessment(s):** Complete Review Assignment  
Unit Test

**Learning Outcomes:**

- Identify Normal anatomy, perfusion and function of extremity, abdominal and cerebrovascular systems
- Describe sonographic appearance of anatomy, landmarks, and vascular structures
- Identify vascular anatomic variants
- Recognize appropriate diagnostic their effect on circulation
- 

**Module #3**

**Materials Covered:** Vascular Pathophysiology

**\*Assessment(s):** Complete in class assignment  
Unit Test

**Learning Outcomes:**

- Recognize, evaluate, and document congenital vascular anomalies
- Identify pathology of extremity, abdominal and cerebrovascular systems
- Recognize and document abnormal vascular flow patterns using spectral, color, and power Doppler
- Describe pathophysiology of vascular disease
- Recognize the variation of hemodynamics as it relates to pathology
- Identify sonographic appearance of abnormal anatomy and vascular structures

**Module #4****Materials Covered:** Vascular Sonographic Procedures**\*Assessment(s):** Complete in class assignment  
Unit Test**Learning Outcomes:**

- Identify appropriate vascular exam protocols
- Recognize and apply proper scan technique in obtaining and documenting diagnostic vascular images
- Identify vascular critical findings
- Recognize and apply proper scan technique in evaluating and documenting pathology
- Describe sonographic appearance of surgically altered anatomy/vasculature
- Knowledge of hemodynamics as it related to surgically altered anatomy and pathology
- Describe common causes of failure/rejection of surgically altered anatomy/vasculature Knowledge of surgical procedures related to dialysis access, bypass grafts, stents, organ transplants, venous ablation, etc.
- Evaluate effects of variation in patient body and equipment
- Recognize appropriate procedural imaging: preprocedural, during procedure, and post-procedure
- Knowledge of contraindications to a procedure Knowledge of expected post-procedural findings/potential complications

**Module #5****Materials Covered:** Test Strategies**\*Assessment(s):** Unit Test**Learning Outcomes:**

- Define test anxiety
- Identify sources of test anxiety and techniques for control and prevention
- Identify strategies for answering typical kinds of test questions (multiple choice, listing, true/false, short answer, essay, and others)
- Identify test-taking strategies to improve performance

**\*Students – please refer to the Instructor’s Course Information sheet for specific**

**information on assessments and due dates.**

## **Part III: Grading and Assessment**

### **EVALUATION OF REQUIRED COURSE MEASURES/ARTIFACTS\*:**

Students' performance will be assessed and the weight associated with the various measures/artifacts are listed below.

Students' performance will be assessed, and the weight associated with the various measures/artifacts are listed below.

### **EVALUATION\***

Tests and Quizzes	70%
Assignments	20%
Final	<u>10%</u>
	100%

***\*Students, for the specific number and type of evaluations, please refer to the Instructor's Course Information Sheet.***

### **GRADING SYSTEM:**

92 - 100%	A
83 - 91%	B
74 - 82%	C
65 - 73%	D
64% or below	F

Grades earned in courses impact academic progression and financial aid status. Before withdrawing from a course, be sure to talk with your instructor and financial aid counselor about the implications of that course of action. Ds, Fs, Ws, WFs and Is also negatively impact academic progression and financial aid status.

The Add/Drop Period is the first 5 days of the semester for **full term** classes. Add/Drop periods are shorter for accelerated format courses. Please refer to the [academic calendar](#) for deadlines for add/drop. You must attend at least one meeting of all of your classes during that period. If you do not, you will be dropped from the course(s) and your Financial Aid will be reduced accordingly.

## Part IV: Attendance

Horry-Georgetown Technical College maintains a general attendance policy requiring students to be present for a minimum of 80 percent (80%) of their classes in order to receive credit for any course. Due to the varied nature of courses taught at the college, some faculty may require up to 90 percent (90%) attendance. Pursuant to 34 Code of Federal Regulations 228.22 - Return to Title IV Funds, once a student has missed over 20% of the course or has missed two (2) consecutive weeks, the faculty is obligated to withdraw the student and a student may not be permitted to reenroll. **Instructors define absentee limits for their class at the beginning of each term; please refer to the Instructor Course Information Sheet.**

**For online and hybrid courses**, check your Instructor's Course Information Sheet for any required on-site meeting times. Please note, instructors may require tests to be taken at approved testing sites, and if you use a testing center other than those provided by HGTC, the center may charge a fee for its services.

## Part V: Student Resources

### THE STUDENT SUCCESS AND TUTORING CENTER (SSTC):

The SSTC offers to all students the following **free** resources:

1. **Academic tutors** for most subject areas, **Writing Center support**, and **college success skills**.
2. Online **tutoring** and academic support resources.
3. Professional and interpersonal communication **coaching** in the EPIC Labs.

Visit the [Student Success & Tutoring Center](#) website for more information. To schedule tutoring, contact the SSTC at [ssc@hgtc.edu](mailto:ssc@hgtc.edu) or self-schedule in the Penji iOS/Android app or at [www.penjiapp.com](http://www.penjiapp.com). Email [ssc@hgtc.edu](mailto:ssc@hgtc.edu) or call SSTC Conway, 349-7872; SSTC Grand Strand, 477-2113; and SSTC Georgetown, 520-1455, or go to the [Online Resource Center](#) to access on-demand resources.

## STUDENT INFORMATION CENTER: TECH Central

TECH Central offers to all students the following free resources:

1. **Getting around HGTC:** General information and guidance for enrollment, financial aid, registration, and payment plan support!
2. Use the [Online Resource Center \(ORC\)](#) including Office 365 support, password resets, and username information.
3. **In-person workshops, online tutorials and more services** are available in Desire2Learn, Student Portal, Degree Works, and Office 365.
4. **Chat with our staff on TECH Talk**, our live chat service. TECH Talk can be accessed on the student portal and on TECH Central's website, or by texting questions to (843) 375-8552.

Visit the [Tech Central](#) website for more information. Live Chat and Center locations are posted on the website. Or please call (843) 349 – TECH (8324), Option #1.

## HGTC LIBRARY:

Each campus location has a library where HGTC students, faculty, and staff may check out materials with their HGTC ID. All three HGTC campus libraries are equipped with computers to support academic research and related school work; printing is available as well. Visit the [Library](#) website for more information or call (843) 349-5268.

## STUDENT TESTING:

Testing in an **online/hybrid** course and in **make-up exam** situations may be accomplished in a variety of ways:

- Test administered within D2L
- Test administered in writing on paper
- Test administered through Publisher Platforms (which may have a fee associated with the usage)

Furthermore, tests may have time limits and/or require a proctor.

Proctoring can be accomplished either face-to-face at an approved site or online through our online

proctoring service. To find out more about proctoring services, please visit the [Online Testing](#) section of the HGTC's Testing Center webpage.

The **Instructor Information Sheet** will have more details on test requirements for your course.

### **DISABILITY SERVICES:**

HGTC is committed to providing an accessible environment for students with disabilities. Inquiries may be directed to HGTC's [Accessibility and Disability Service webpage](#). The Accessibility and Disability staff will review documentation of the student's disability and, in a confidential setting with the student, develop an educational accommodation plan.

Note: It is the student's responsibility to self-identify as needing accommodations and to provide acceptable documentation. After a student has self-identified and submitted documentation of a disability, accommodations may be determined, accepted, and provided.

### **STATEMENT OF EQUAL OPPORTUNITY/NON-DISCRIMINATION STATEMENT:**

Horry-Georgetown Technical College prohibits discrimination and harassment, including sexual harassment and abuse, on the basis of race, color, sex, national or ethnic origin, age, religion, disability, marital or family status, veteran status, political ideas, sexual orientation, gender identity, or pregnancy, childbirth, or related medical conditions, including, but not limited to, lactation in educational programs and/or activities.

### **TITLE IX REQUIREMENTS:**

All students (as well as other persons) at Horry-Georgetown Technical College are protected by Title IX—regardless of their sex, sexual orientation, gender identity, part- or full-time status, disability, race, or national origin—in all aspects of educational programs and activities. Any student, or other member of the college community, who believes that he/she is or has been a victim of sexual harassment or sexual violence may file a report with the college's Chief Student Services Officer, campus law enforcement, or with the college's Title IX Coordinator, or designee.

\*Faculty and Staff are required to report incidents to the Title IX Coordinators when involving students. The only HGTC employees exempt from mandatory reporting are licensed mental health professionals (only as part of their job description such as counseling services).

### **INQUIRIES REGARDING THE NON-DISCRIMINATION/TITLE IX POLICIES:**

**Student and prospective student** inquiries concerning Section 504, Title II, Title VII, and Title IX and their application to the College or any student decision may be directed to the Vice President for Student Affairs.

**Dr. Melissa Batten, VP Student Affairs**

*Title IX, Section 504, and Title II Coordinator*

Building 1100, Room 107A, Conway Campus

PO Box 261966, Conway, SC 29528-6066  
843-349-5228  
[Melissa.Batten@hgtc.edu](mailto:Melissa.Batten@hgtc.edu)

**Employee and applicant** inquiries concerning Section 504, Title II, and Title IX and their application to the College may be directed to the Vice President for Human Resources.

**Jacquelyne Snyder, VP Human Resources**

*Affirmative Action/Equal Opportunity Officer and Title IX Coordinator*

Building 200, Room 205B, Conway Campus

PO Box 261966, Conway, SC 29528-6066

843-349-5212
