INSTRUCTIONAL PACKAGE

Part I: Course Information

Effective Term: Fall 2026/Spring 2027/Summer 2027

COURSE PREFIX: HIM153

COURSE TITLE: Electronic Health Records Clinical Experience

CONTACT HOURS: 9

CREDIT HOURS: 3

RATIONALE FOR THE COURSE:

The primary goal is to provide clinical practice in the application of basic and advanced coding and classification system guidelines and billing/reimbursement-related processes in selected health care facilities

COURSE DESCRIPTION:

This course expands on the application of theoretical principles of the electronic health record. The focus is on the management of patient information in a digital **environment**, emphasizing the use of electronic health records (EHRs), data security, and privacy protocols.

PREREQUISITES/CO-REQUISITES:

Credit level HIM 130 Minimum Grade of C or Credit level HIM 130 Minimum Grade of TC) and (Credit level HIM 135 Minimum Grade of C or Credit level HIM 135 Minimum Grade of TC) and (Credit level HIM 140 Minimum Grade of C or Credit level HIM 140 Minimum Grade of TC) and (Credit level HIM 216 Minimum Grade of C or Credit level HIM 216 Minimum Grade of TC) and Background Check Form 1 and (Credit level CPT 101 Minimum Grade of C or Credit level CPT 101 Minimum Grade of TC or Credit level CPT 170 Minimum Grade of C or Credit level CPT 170 Minimum Grade of TC or Credit level AOT 105 Minimum Grade of C or READI Test Score 1). Must be enrolled in or have completed HIM 141 and HIM 225

***Online/Hybrid** courses require students to complete the [Distance Learning Orientation Video](#) prior to enrolling in an online course.

REQUIRED MATERIALS:

Please visit the [BOOKSTORE](#) online site for the most current textbook information.

Enter the semester, course prefix, number, and section when prompted, and you will be linked

to the correct textbook.

TECHNICAL REQUIREMENTS:

Access to Desire2Learn (D2L), HGTC's learning management system (LMS) used for course materials.

Access to myHGTC portal for student self-services.

College email access – this is the college's primary official form of communication.

STUDENT IDENTIFICATION VERIFICATION:

Students enrolled in online courses will be required to participate in a minimum of one (1) proctored assignment and/or one (1) virtual event to support student identification verification. Please refer to your Instructor Information Sheet for information regarding this requirement.

NETIQUETTE is the term commonly used to refer to conventions adopted by Internet users on the web, mailing lists, public forums, and in live chat, focused on online communications etiquette. For more information regarding Netiquette expectations for distance learning courses, please visit [Online Netiquette](#).

Part II: Student Learning Outcomes

COURSE LEARNING OUTCOMES and ASSESSMENTS*:

- * Students will be using the textbook to learn the concepts of correct ICD-10-CM coding.
- * Students will learn how to use the ICD-10-CM code book to assign codes correctly by using the Alphabetic Index and the Tabular Index.
- * Students will have the opportunity to attend AAPC meetings for networking and learning purposes.
- * Students – please refer to the Instructor's Course Information sheet for specific information on assessments and due dates

Assessments

- * Students will be required to accurately code real cases from a computer program.
- * Students will be required to do a special project.
- * Students will be required to participate in weekly discussions.
- * Students will be required to complete assignments related to medical billing and coding.
- * Students will be required to complete the final exam

****Students – please refer to the Instructor's Course Information sheet for specific information on assessments and due dates.***

Module 1:

Evaluation and Management:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and

HCPCS books

- Demonstrate the ability to code real-life cases and understand the rationale behind the code assignments
- Use the audit tool to correct the assignment of evaluation and management codes
- Discuss the weekly cases with the class, giving your tips and challenges

Module 2:

Anesthesia:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books

- Correctly assign the CPT codes and the anesthesia modifiers for real-world cases
- Discuss the weekly cases with the class, giving your tips and challenges

Module 3

Cardiology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life cardiology cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 4

Integumentary:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life integumentary cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 5

Emergency Medicine:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life emergency medicine cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 6

Medicine

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life medicine cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 7

Gastroenterology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life gastroenterology cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 8

Pulmonary:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life pulmonary cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 9

Neurology and Ophthalmology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life neurology and ophthalmology cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 10

OB/GYN:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life OB/GYN cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 11

Orthopedics:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life orthopedic cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 12

Otorhinolaryngology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life otorhinolaryngology cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 13

Pathology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life pathology cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenge

Module 14

Pediatrics, Neonatology, and Adolescent Medicine:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life pediatric, neonatology, and adolescent medicine cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 15

Diagnostic Radiology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life diagnostic radiology, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges
-

Module 16

Interventional Radiology and Radiation Oncology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life interventional radiology and radiation oncology cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

Module 17

Urology:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life urology cases, using the correct codes as well as modifiers
- Discuss the weekly cases with the class, giving your tips and challenges

•

Module 18

General Surgery:

Assessments: Simulated Medical Coding Internship: CPT-4, ICD-10-CM, and HCPCS books.

- Demonstrate the ability to code real-life general surgery cases, using the correct codes as well as modifiers

•

Discuss the weekly cases with the class, giving your tips and challenge

****Students – please refer to the Instructor’s Course Information sheet for specific information on assessments and due dates.***

Effective Professional and Interpersonal Communication (EPIC):

This course fulfills HGTC’s Quality Enhancement Plan for Effective Professional and Interpersonal Communication. Upon completion of this course, students will be able to:

- Utilize appropriate communication formats when conveying professional and interpersonal thoughts and ideas.
- Apply appropriate language when speaking and writing for their chosen field of study or Industry.
- Demonstrate appropriate communication techniques when engaging audiences

Part III: Grading and Assessment

EVALUATION OF REQUIRED COURSE MEASURES/ARTIFACTS*:

Students' performance will be assessed, and the weight associated with the various measures/artifacts are listed below.

EVALUATION:

CPC/Homework Assignments	20%
Discussions	20%
Special Project	20%
Chatter with Professor	10%
Final Exam	30%
	100%

****Students, for the specific number and type of evaluations, please refer to the Instructor's Course Information Sheet.***

GRADING SYSTEM:

State the College's or departmental grading system as delineated in the Catalog. Please note the College adheres to a 10-point grading scale: A = 100 – 90, B = 89- 80, C = 79 – 70, D = 69 – 60, F = 59 and below. You must have your Dean's approval if changes in the scale are made.

Grades earned in courses impact academic progression and financial aid status. Before withdrawing from a course, be sure to talk with your instructor and financial aid counselor about the implications of that course of action. Ds, Fs, Ws, WFs, and Is also negatively impact academic progression and financial aid status.

The Add/Drop Period is the first 5 days of the semester for **full-term** classes. Add/Drop periods are shorter for accelerated format courses. Please refer to the [academic calendar](#) for deadlines for add/drop. You must attend at least one meeting of all of your classes during that period. If you do not, you will be dropped from the course(s), and your Financial Aid will be reduced accordingly.

Part IV: Attendance

Horry-Georgetown Technical College maintains a general attendance policy requiring students to be present for a minimum of 80 percent (80%) of their classes in order to receive credit for any course. Due to the varied nature of courses taught at the college, some faculty may require up to 90 percent (90%) attendance. Pursuant to 34 Code of Federal Regulations 228.22 - Return to Title IV Funds, once a student has missed over 20% of the course or has missed two

(2) consecutive weeks, the faculty is obligated to withdraw the student, and a student may not be permitted to reenroll. **Instructors define absentee limits for their class at the beginning of each term; please refer to the Instructor Course Information Sheet.**

For online and hybrid courses, check your Instructor's Course Information Sheet for any required on-site meeting times. Please note that instructors may require tests to be taken at approved testing sites, and if you use a testing center other than those provided by HGTC, the center may charge a fee for its services.

Part V: Student Resources

THE STUDENT SUCCESS AND TUTORING CENTER (SSTC):

The SSTC offers to all students the following **free** resources:

1. **Academic tutors** for most subject areas, **Writing Center support**, and **college success skills**.
2. Online **tutoring** and academic support resources.
3. Professional and interpersonal communication **coaching** in the EPIC Labs.

Visit the [Student Success & Tutoring Center](#) website for more information. To schedule tutoring, contact the SSTC at ssc@hgtc.edu or self-schedule in the Penji iOS/Android app or at www.penjiapp.com. Email ssc@hgtc.edu or call SSTC Conway, 349-7872; SSTC Grand Strand, 477-2113; and SSTC Georgetown, 520-1455, or go to the [Online Resource Center](#) to access on-demand resources.

STUDENT INFORMATION CENTER: TECH Central

TECH Central offers to all students the following **free** resources:

1. **Getting around HGTC**: General information and guidance for enrollment, financial aid, registration, and payment plan support!
2. Use the [Online Resource Center \(ORC\)](#), including Office 365 support, password resets, and username information.
3. **In-person workshops, online tutorials, and more services** are available in Desire2Learn, Student Portal, Degree Works, and Office 365.
4. **Chat with our staff on TECH Talk**, our live chat service. TECH Talk can be accessed on the student portal and on TECH Central's website, or by texting questions to (843) 375-8552.

HGTC LIBRARY:

Each campus location has a library where HGTC students, faculty, and staff may check out materials with their HGTC ID. All three HGTC campus libraries are equipped with computers to support academic research and related school work; printing is available as well. Visit the [Library](#) website for more information or call (843) 349-5268.

STUDENT TESTING:

Testing in an **online/hybrid** course and in **make-up exam** situations may be accomplished in a variety of ways:

- Test administered within D2L.
- Test administered in writing on paper.
- Test administered through Publisher Platforms (which may have a fee associated with the usage)

Furthermore, tests may have time limits and/or require a proctor.

Proctoring can be accomplished either face-to-face at an approved site or online through our online proctoring service. To find out more about proctoring services, please visit the [Online Testing](#) section of the HGTC's Testing Center webpage.

The **Instructor Information Sheet** will have more details on test requirements for your course.

DISABILITY SERVICES:

HGTC is committed to providing an accessible environment for students with disabilities. Inquiries may be directed to HGTC's [Accessibility and Disability Service webpage](#). The Accessibility and Disability Services staff will review documentation of the student's disability and, in a confidential setting with the student, engage in an interactive process to develop an educational accommodation plan.

Note: It is the student's responsibility to self-identify as needing accommodations and to provide acceptable documentation. After a student has self-identified and submitted documentation of a disability, accommodations may be determined, accepted, and provided. Students will need to reach out to the Accessibility and Disability Services staff each semester to renew their accommodations.

COUNSELING SERVICES:

HGTC Counseling Services strives to optimize student success through managing personal and academic concerns that may interfere with achieving educational goals. Staff are available to every student for assistance and guidance on personal matters, academic concerns, and other areas of concern. HGTC offers free in-person and telehealth counseling services to students. For more information about counseling services, please reach out to counseling@hgtc.edu or visit the [Counseling Services webpage](#).

STATEMENT OF EQUAL OPPORTUNITY/NON-DISCRIMINATION STATEMENT:

Horry-Georgetown Technical College shall not discriminate in employment or personnel decisions or in student admissions or in student decisions, or in all other segments of the College community on the basis of race, color, sex, national or ethnic origin, age, religion, disability, marital or family status, veteran status, political ideas, sexual orientation, gender identity, or pregnancy, childbirth, or related medical conditions, including, but not limited to, lactation, in the educational programs and activities which it operates, and the college is prohibited from discrimination in such manner by applicable laws. Practices and requirements for nondiscrimination extend to the enrollment of students in programs and activities of the College and employment by the College.

All inquiries regarding the federal laws as they relate to discrimination on the basis of sex may be directed to Tamatha Sells, Title IX Coordinator, Horry-Georgetown Technical College, Building 1100C, Room 107B, 2050 Hwy 501 E, PO Box 261966, Conway, SC 29528-6066, 843-349-5218, tamatha.sells@hgtc.edu, or to the US Department of Education Office of Civil Rights. (Telephone: 800-421-3481/Email: OCR@ed.gov).

Other employee and applicant inquiries concerning the federal laws and their application to the College may be directed to Jacquelyne Snyder, Vice President, Human Resources and Employee Relations & the College's Affirmative Action/Equal Opportunity Officer, Horry-Georgetown Technical College, Building 200C, Room 205B, 2050 Hwy 501 E, PO Box 261966, Conway, SC 29528-6066, 843-349-5212, jacquelyne.snyder@hgtc.edu.

Other student and prospective student inquiries concerning the federal laws and their application to the College or any student decision may be directed to Dr. Melissa Batten, Vice President, Student Affairs, Section 504 & Title II Coordinator, Horry-Georgetown Technical College, Building 1100C, Room 107A, 2050 Hwy 501 E, PO Box 261966, Conway, SC 29528-6066, 843-349-5228, melissa.batten@hgtc.edu.

TITLE IX REQUIREMENTS:

Title IX of the Education Amendments of 1972 protects students, employees, applicants for admission and employment, and other persons from all forms of sex discrimination.

HGTC prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking and will provide students, faculty, and staff with necessary information regarding prevention, policies, procedures, and resources.

Any student, or other member of the college community, who believes that they have been a victim of sexual harassment, domestic violence, dating violence, sexual assault, or stalking may file a report with the college's Title IX Coordinator or campus law enforcement*.

*Faculty and Staff are required to report these incidents to the Title IX Coordinator when involving students. The only HGTC employees exempt from mandatory reporting are licensed mental health professionals (only as part of their job description, such as counseling services).

For more information, contact Tamatha Sells, Title IX Coordinator, Conway Campus, Building 1100C, Room 107B, 843-349-5218, tamatha.sells@hgtc.edu.

PREGNANCY ACCOMMODATIONS

Under Title IX, colleges must not exclude a pregnant student from participating in any part of an educational program. Horry-Georgetown Technical College is committed to ensuring that pregnant students receive reasonable accommodations to ensure access to our educational programs.

Students should advise the Title IX Coordinator of a potential need for accommodations as soon as they know they are pregnant. It is extremely important that communication between student, instructors, and the Title IX Coordinator begins as soon as possible. Each situation is unique and will be addressed individually.

Title IX accommodations DO NOT apply to Financial Aid. Financial Aid regulations do not give the College any discretion in terms of Financial Aid eligibility.

Certain educational programs may have strict certification requirements or requirements mandated by outside regulatory agencies. Therefore, in some programs, the application of Title IX accommodations may be limited.

To request pregnancy accommodations, please complete the [Pregnancy Intake Form](#).
