Part III: Grading and Assessment

EVALUATION OF REQUIRED COURSE MEASURES/ARTIFACTS*:

Students’ performance will be assessed and the weight associated with the various measures/artifacts are listed below.

Your grade for this course will be determined solely based on the criteria outlined in this syllabus. Students will not be allowed to substitute other activities (reports, homework, etc.) to count in place of any of the stated criteria. (This means there will be NO extra credit offered.) Also, since the tests/exams given in this course are designed to measure the extent to which you have mastered course materials, students should not expect there to be any “curving” of grades

ACADEMIC DISHONESTY

All forms of academic dishonesty, as outlined in the Student Code in the HGTC catalog, will NOT be tolerated and will result in disciplinary action. Anyone caught cheating, committing plagiarism (Defined in the code as: “The appropriation of any other person’s work and the unacknowledged incorporation of that work in one’s own work offered for credit”) **or giving any ICD-9-CM answers will be given a grade of a zero for that assignment.** A second offense will result in charges being filed with the Chief Student Services Officer

GRADING SYSTEM:

State the College's or departmental grading system as delineated in the Catalog. Please note the College adheres to a 10 point grading scale A = 100 – 90, B = 89- 80, C = 79 – 70, D = 69 – 60, F = 59 and below. You must have your Dean's approval if changes in the scale are made.

Grades earned in courses impact academic progression and financial aid status. Before withdrawing from a course, be sure to talk with your instructor and financial aid counselor about the implications of that course of action. Ds, Fs, Ws, WFs and Is also negatively impact academic progression and financial aid status.

The Add/Drop Period is the first 5 days of the semester for **full term** classes. Add/Drop periods are shorter for accelerated format courses. Please refer to the [academic calendar](#) for deadlines for add/drop. You must attend at least one meeting of all of your classes during that period. If you do not, you will be dropped from the course(s) and your Financial Aid will be reduced accordingly.

Part IV: Attendance

Horry-Georgetown Technical College maintains a general attendance policy requiring students to be present for a minimum of 80 percent (80%) of their classes in order to receive credit for any course. Due to the varied nature of courses taught at the college, some faculty may require up to 90 percent (90%) attendance. Pursuant to 34 Code of Federal Regulations 228.22 - Return to Title IV Funds, once a student has missed over 20% of the course or has missed two (2) consecutive weeks, the faculty is obligated to withdraw the student and a student may not be permitted to reenroll. **Instructors define**

absentee limits for their class at the beginning of each term; please refer to the Instructor Course Information Sheet.

For Weekly Attendance Verification, each student is required to post 1 thread, not just a response, in our weekly discussion posts. Failure to do so will result in an absence.

For online and hybrid courses, check your Instructor's Course Information Sheet for any required on-site meeting times. Please note, instructors may require tests to be taken at approved testing sites, and if you use a testing center other than those provided by HGTC, the center may charge a fee for its services.
