Ds, Fs, Ws, WFs, and Is also negatively impact academic progression and financial aid status.

The Add/Drop Period is the first 5 days of the semester for **full-term** classes. Add/Drop

periods are shorter for accelerated format courses. Please refer to the [academic calendar](#) for deadlines for add/drop. You must attend at least one meeting of all of your classes during that period. If you do not, you will be dropped from the course(s), and your Financial Aid will be reduced accordingly.

CODING AND CLASSIFICATIONS GRADING POLICY

Your grade for this course will be determined solely based on the criteria outlined in this syllabus. Students will not be allowed to substitute other activities (reports, homework, etc.) to count in place of any of the stated criteria. (This means there will be NO extra credit offered.) Also, since the tests/exams given in this course are designed to measure the extent to which you have mastered the course materials, students should not expect there to be any “curving” of grades

ACADEMIC DISHONESTY

All forms of academic dishonesty, as outlined in the Student Code in the HGTC catalog, will NOT be tolerated and will result in disciplinary action. Anyone caught cheating, committing plagiarism (Defined in the code as “The appropriation of any other person’s work and the unacknowledged incorporation of that work in one’s own work offered for credit”), **or giving any ICD-9-CM answers will be given a grade of zero for that assignment.** A second offense will result in charges being filed with the Chief Student Services Officer.

The student is expected to:

1. Attend class regularly
2. Complete homework assignments in a timely manner in the Dropbox (late work will be accepted with a 2-point reduction per day)
3. Exhibit knowledge of each chapter by successfully completing homework, class work, and chapter tests, which cover the objectives listed in each chapter. Students are expected to participate in all discussions
