Urban Tree Care

Effective Term  
Fall 2019

# INSTRUCTIONAL PACKAGE

Departmental Mission Statement:

Forestry Management Technology Department & Program Mission Statement

The mission of the Department, the Programs and its faculty is to support the broader College's goals as detailed above, but also provide a comprehensive silviculturally based environmental education that recognizes the broad multiple uses demanded from the forest environments of South Carolina, the Southeastern United States and the nation.

- We want our graduates to recognize how their daily decisions will have a lasting impact on the social, cultural, economic, and environment fabric of our state, region and country.
- Their natural resource decision making process must be based on the highest professional and ethical standards for the long term protection and promotion of a high demand resource.
- We strive to prepare well trained forest, wildlife and natural resource technicians for both public and private sector employers and promote career opportunities for our graduates.

## Part I: Course Information

Effective Term: Fall 2019

COURSE PREFIX: HRT-255

COURSE TITLE: Urban Tree Care

CONTACT HOURS: 2 Lecture, 3 Lab

CREDIT HOURS: 3

### **RATIONALE FOR THE COURSE:**

To help the student gain practical experience and working knowledge of the various techniques used to maintain the urban landscape. Students will learn the importance of site evaluation and proper species selection on the long term success of any planted material in the landscape. Proper selection and care will limit maintenance costs and assure long lived plant material.

### **COURSE DESCRIPTION:**

This course is a study of selection, installation and maintenance of trees in the urban landscape. Emphasis will be placed on industry standards and municipality requirements. Topics also covered are basic tree anatomy and proper tree pruning and health management

### **PREREQUISITES/CO-REQUISITES:**

None

### **REQUIRED MATERIALS:**

Textbook: Hartman, Pirone and Sall, Pirone's Tree Maintenance, 7<sup>th</sup> Edition, Oxford University

August 2019

Press, ISBN: 9780195119916. Please visit the Bookstore online site for most current textbook information. Use the direct link below to find textbooks. [BOOKSTORE](#). Enter the semester, course prefix, number and section when prompted and you will be linked to the correct textbook.

### **TECHNICAL REQUIREMENTS:**

Access to Desire2Learn (D2L), HGTC's student portal for course materials. WaveNet and D2L email access.

### **CLASSROOM ETIQUETTE:**

As a matter of courtesy to other students and your professor, please turn off cell phones and other communication/entertainment devices before class begins. If you are monitoring for an emergency, please notify your professor prior to class and switch cell phone ringers to vibrate.

### **SAFETY:**

Prior to going to the woods for a field lab, the instructor will hold a safety briefing identifying the boundaries of the study area, any known hazards and the proper use of Personal Protective Equipment assigned to that exercise.

### **LAB EXERCISES:**

This class has an outdoor lab associated with it. Please come appropriately dressed for lab with long pants and boots.

## **Part II: Student Learning Outcomes**

### **COURSE LEARNING OUTCOMES and ASSESSMENTS\*:**

Module #1

*Materials Covered:* Value of Trees / Proper Tree Selection / Transplant Methods

*\*Assessment(s):* Weekly skill based labs  
Complete class review activity.  
Unit Test

*Learning Outcomes:*

1. List the benefits provided by trees to society and the environment.
2. Identify the factors that go into valuing a tree in an urban setting.
3. Identify the various industry trade organizations (arboriculture).
4. List the site factors to consider when selecting a tree species.
5. Explain what a cold hardiness zone is.
6. Identify the challenges posed to tree growth and development in urban environments.
7. Identify what are good tree selection characteristics based on need and site.
8. Identify the proper steps for a successful transplant (site preparation, season, nursery stock versus wilding, post-transplant watering, etc.).
9. Identify the criteria for tree protection devices (wraps, shelters, etc.).

## Module #2

*Materials Covered:* Fertilization / Pruning / Tree Preservation

*\*Assessment(s):* Weekly skill based labs  
Complete class review activity.  
Unit Test

### *Learning Outcomes:*

1. Identify the nutritional needs of trees, shrubs and grass and fertilizers benefits and limitations.
2. Identify the impact of soil pH on tree and the common mineral deficiencies that exist.
3. Identify the sign of subnormal growth.
4. Be familiar with the results of a soil sample or foliar test.
5. Identify the benefits and weaknesses offered by Organic Concentrates, Bulk Organic Materials, and Commercial Fertilizers (dry, liquid and controlled release).
6. Identify the benefits associated with different pruning objectives: Training, Health (Insects & Disease problems) and Stability, Appearance, and Safety (ROW Clearance).
7. Identify proper pruning techniques and how the tree will react (healing).
8. Identify the benefits associated with different types of pruning: thinning, and heading cuts.
9. Identify the best time to prune for hardwoods and/or conifers; what tools to use in different situations and how to use them.
10. Be able to identify the risk factors associated with tree damage and how to address it.
11. Be able to identify the benefits associated with cabling, structural support (rod) and guying.
12. Identify the proper ways to work around root systems (access and compaction) and how to examine lightening damage.

### Module #3

*Materials Covered:* Insects & Disease / Nonparasitic Factors

*\*Assessment(s):* Weekly skill based labs.  
Complete class review activity.  
Unit Test

#### *Learning Outcomes:*

1. Identify the site and tree characteristics one must examine closely when evaluating a tree.
2. Identify diagnostic features ones should examine (leaves, bark, roots, trunk & branches) in an effort to identify the problem so proper treatment can be applied.
3. Be able to identify trees that may pose a public hazard to individuals or property.
4. Identify human or environmental activities that may pose a threat to tree health (construction, fill, changes in grade, soil compaction, girdling, sun scald, chemical, wildlife, pollution, etc.) and how to prevent them or lessen their impact.

### Module #4

*Materials Covered:* Insect & Mites / Diseases / Integrated Pest Mgt.

*\*Assessment(s):* Weekly skill based labs.  
Complete class review activity.  
Unit Test

#### *Learning Outcomes:*

1. Be familiar with the structure of insects and other pests and their seasonal behaviors.
2. Be familiar with the damage caused by insects, such as, borers, leaf miners, caterpillars, sawflies, weevils, aphids, scales, and mites.)
3. Identify where on the tree key diseases attack (root, sapwood, heartwood, leaves, phloem, and cambium).
4. Be familiar with the damage caused by diseases, such as, virus, nematodes, parasitic plants, bacteria, and fungi.)
5. Identify the common methods used to deal with pest problems and their timing.
6. Identify the steps taken to conduct pest monitoring.
7. Identify the cultural steps taken to prevent or combat tree pest problems (sanitation).
8. Identify the physical and mechanical controls used to prevent or combat pest problems.
9. Describe the importance of parasites and predators in controlling pest populations.
10. Identify when it is beneficial to use insecticides to solve a pest problem, its timing, the proper application techniques and equipment and safety procedures.

## **Part III: Grading and Assessment**

## **EVALUATION OF REQUIRED COURSE MEASURES/ARTIFACTS\***

Students' performance will be assessed and the weight associated with the various measures/artifacts are listed below.

### **EVALUATION\***

Tests	50%
Lab Reports & Field Work	20
Term Paper	10%
Final Exam	<u>20%</u>
	100%

***\*Students, for the specific number and type of evaluations, please refer to the Instructor's Course Information Sheet.***

### **GRADING SYSTEM:**

The College's and Departmental grading system is delineated in the Catalog. Please note the College adheres to a 10 point grading scale A = 100 – 90, B = 89- 80, C = 79 – 70, D = 69 – 60, F = 59 and below. You must have your Dean's approval if changes in the scale are made.

Grades earned in courses impact academic progression and financial aid status. Before withdrawing from a course, be sure to talk with your instructor and financial aid counselor about the implications of that course of action. Ds, Fs, Ws, WFs and Is also negatively impact academic progression and financial aid status.

The Add/Drop Period is the first 5 days of the semester for **full term** classes. Add/Drop periods are shorter for accelerated format courses. Please refer to the academic calendar for deadlines for add/drop ([ACADEMIC CALENDAR](#)). You must attend at least one meeting of all of your classes during that period. If you do not, you will be dropped from the course(s) and your Financial Aid will be reduced accordingly.

## **Part IV: Attendance**

Horry-Georgetown Technical College maintains a general attendance policy requiring students to be present for a minimum of 80 percent (80%) of their classes in order to receive credit for any course. Due to the varied nature of courses taught at the college, some faculty may require up to 90 percent (90%) attendance. Pursuant to 34 Code of Federal Regulations 228.22 - Return to Title IV Funds, once a student has missed over 20% of the course or has missed two (2) consecutive weeks, the faculty is obligated to withdraw the student and a student may not be permitted to reenroll. **Instructors define absentee limits for their class at the beginning of each term; please refer to the Instructor Course Information Sheet.**

## Part V: Student Resources

The Student Success and Tutoring Center (SSTC)

The SSTC offers to all students the following **free** resources:

**1. Academic coaches** for most subject areas, **Writing Center Support**, and **college success skills**.

**2. On-line student success and academic support resources.**

Visit the SSTC website: [Student Success & Tutoring Center](#) and visit the student services tab in your WaveNet account to schedule appointments using TutorTrac. For more information, call: SSTC Conway, 349-7872; SSTC Grand Strand, 477-2113; and SSTC Georgetown, 520-1455 or go to the [Online Resource Center](#) to access on-demand resources any time.

**TECH Central – Student Information Center**

TECH Central provides quality enrollment and collegiate guidance for students, faculty, and staff. Services include phone, walk-in, and online technical support for technology training and troubleshooting. Additionally, we offer support in Office 365, Outlook E-mail setup, and ID cards.

**Phone:** 843-349-5340

**Email:** [techcentral@hgtc.edu](mailto:techcentral@hgtc.edu)

**Text:** 843-357-8552

**TECH Talk (Live Chat):** Located on the “Home” tab in WaveNet.

**Website:** [www.hgtc.edu/techcentral](http://www.hgtc.edu/techcentral)

### **Locations:**

Conway Building 1100, Room 132D

Grand Strand Building 200, Room 136

The **Instructor Information Sheet** will have more details on test requirements for your course.

## **Disability Services:**

HGTC is committed to providing an accessible environment for students with disabilities. Inquiries may be directed to Beth Havens, Director of Student Development on the Conway Campus Jaime Davis, Counselor/Advisor on the Georgetown Campus or Kristin Griffin, Counselor on the Grand Strand Campus. These individuals will review documentation of the student’s disability and, in a confidential setting with the student, develop an educational accommodation plan.

Note: It is the student’s responsibility to self-identify as needing accommodations and to provide acceptable documentation. After a student has self-identified and submitted documentation of a

disability, accommodations may be determined, accepted, and provided.

## Statement of Equal Opportunity/Non-Discrimination Statement

Horry-Georgetown Technical College prohibits discrimination and harassment, including sexual harassment and abuse, on the basis of race, color, sex, national or ethnic origin, age, religion, disability, marital or family status, veteran status, political ideas, sexual orientation, gender identity, or pregnancy, childbirth, or related medical conditions, including, but not limited to, lactation in educational programs and/or activities.

Inquiries regarding the non-discrimination policies: Students and prospective student inquiries concerning Section 504, Title II, and Title IX and their application to the College or any student decision may be directed to the Vice President for Student Affairs, Dr. Melissa Batten, VP Student Affairs, Title IX Coordinator, Building 1100, Room 107A, Conway Campus, PO Box 261966, Conway, SC 29528-6066, 843-349-5228, [Melissa.Batten@hgtc.edu](mailto:Melissa.Batten@hgtc.edu). Employee and applicant inquiries concerning Section 504, Title II, and Title IX and their application to the College may be directed to the Vice President for Human Resources, Jacquelyne Snyder, VP Human Resources, Section 504, Title II, and Title IX Coordinator, Building 200, Room 212A, Conway Campus, PO Box 261966, Conway, SC 29528-6066, 843-349-5212, [Jacquelyne.Snyder@hgtc.edu](mailto:Jacquelyne.Snyder@hgtc.edu).

### Title IX Requirements

All students (as well as other persons) at Horry-Georgetown Technical College are protected by Title IX—regardless of their sex, sexual orientation, gender identity, part- or full-time status, disability, race, or national origin—in all aspects of educational programs and activities. Any student, or other member of the college community, who believes that he/she is or has been a victim of sexual harassment or sexual violence may file a report with the college’s Chief Student Services Officer, campus law enforcement, or with the college’s Title IX Coordinator, or designee.

\*Faculty and Staff are required to report incidents to the Title IX Coordinators when involving students. The only HGTC employees exempt from mandatory reporting are licensed mental health professionals (only as part of their job description such as counseling services).

<b>Inquiries regarding the non-discrimination policies:</b>	
Student and prospective student inquiries concerning Section 504, Title II, and Title IX and their application to the College or any student decision may be directed to the Vice President for Student Affairs.	Employee and applicant inquiries concerning Section 504, Title II, and Title IX and their application to the College may be directed to the Vice President for Human Resources.
