Pesticides

Effective Term  
Spring/2020

# INSTRUCTIONAL PACKAGE

## Part I: Course Information

Effective Term: Spring 2020

COURSE PREFIX: TUF 262

COURSE TITLE: Pesticides

CONTACT HOURS: 5.0

CREDIT HOURS: 3

### **RATIONALE FOR THE COURSE:**

Accurate application of pesticides is an essential responsibility of golf course superintendents and other managers involved in the maintenance and production of turfgrasses and ornamental plants. This knowledge is critical for maximum product efficacy; safety to the applicator and those in the vicinity of the treated area; protection of the environment; and compliance with federal, state, and local regulations

### **COURSE DESCRIPTION:**

This course covers modern methods of applying herbicides, fungicides, insecticides, and nematocides. Special emphasis is placed on calibration of equipment, dilution techniques, and accurate application of minute quantities of pesticides over large areas.

### **PREREQUISITES/CO-REQUISITES:**

TUF 174

### **REQUIRED MATERIALS:**

Clemson University Faculty et al.: Category CORE- Applying Pesticides Correctly: A Guide for Private and Commercial Applicators

Clemson University Faculty et al.: Category 3 Ornamental and Turfgrass Pest Management

### **ADDITIONAL REQUIREMENTS:**

Calculator

Examination Fee = \$38.00

### **TECHNICAL REQUIREMENTS:**

Access to Desire2Learn (D2L), HGTC's student portal for course materials.  
WaveNet and D2L email access.

## **STUDENT IDENTIFICATION VERIFICATION**

Students enrolled in online courses will be required to participate in a minimum of one (1) proctored assignments and/or one (1) virtual events to support student identification verifications. Please refer to your Instructor Information Sheet for information regarding this requirement.

## **CLASSROOM ETIQUETTE:**

As a matter of courtesy to other students and your professor, please turn off cell phones and other communication/entertainment devices before class begins. If you are monitoring for an emergency, please notify your professor prior to class and switch cell phone ringers to vibrate.

**NETIQUETTE:** is the term commonly used to refer to conventions adopted by Internet users on the web, mailing lists, public forums, and in live chat focused on online communications etiquette. For more information regarding Netiquette expectations for distance learning courses, please visit [Online Netiquette](#).

## **Part II: Student Learning Outcomes**

### **COURSE LEARNING OUTCOMES and ASSESSMENTS\*:**

#### **Unit I:**

#### [Introduction to Pests and Pesticides](#)

Upon completion of Unit I, the students should be able to:

1. List the major events in the history of pesticide use and development.
2. Explain what is meant by prevention, suppression, and eradication of pests.
3. Describe “thresholds” and why they are an important consideration in developing a pest control strategy.
4. Define “integrated pest management” and list several possible control tactics that may be used in an IPM strategy.
5. Name ways to help avoid the development of pest resistance to pesticides.
6. Define basic terminology pertaining to pesticides.
7. Define “chemical family”, and name the modes of actions of chemical families commonly used on turf.

#### **Unit II:**

#### [Pesticide Label and Formulations](#)

Upon completion of Unit II, the student should be able to:

1. Interpret the terms “label” and “labeling”.
2. Identify the meaning of “Restricted Use” classification and explain where to look for it on pesticide labeling.
3. Distinguish among the terms “common name”, “chemical name”, and “brand name”, and identify which to use to most accurately identify a pesticide product.
4. Recognize and define signal words on pesticide labels.
5. Explain what a pesticide formulation is.
6. Distinguish between “active” and “inert” ingredients.

7. Name factors to consider when choosing a formulation.
8. Recognize the purpose of adjuvants and list several types.
9. Describe how water pH influences pesticide efficacy.

### **Unit III:**

#### Pesticide Calculations

1. Explain why it is important to apply the correct amount of pesticide.
2. Identify ways that application rate is expressed.
3. Identify and describe different types of spray tips (nozzles).
4. Calculate correct quantities of various pesticide formulations to apply to turf areas.
5. Calibrate spreaders and sprayers.

-3-

### **Unit IV:**

#### Environmental Aspects of Pesticide Use

1. Distinguish between point-sources and non-point-sources of environmental contamination by pesticides.
2. Explain why sensitive areas are important considerations for pesticide handlers.
3. Name the routes by which pesticides can move offsite into the environment.
4. Define “drift”, and describe ways in which drift can be minimized when applying pesticides.
5. Explain how the solubility, adsorption, and persistence of a pesticide influence its movement into groundwater.
6. Define “endangered species”, and describe how they may be harmed by pesticides.

### **Unit V:**

#### Pesticide Safety

1. Define “LD-50” and “LC-50”.
2. List the four routes by which your body can be exposed to pesticides, and name the route that should be of most concern to you.
3. Explain the three main types of harmful effects that pesticides can cause in humans.
4. Describe some general signs and symptoms of pesticide poisoning and pesticide injury.
5. Describe appropriate first aid for pesticide exposures.
6. Use information on Material Safety Data Sheets (MSDS), and file MSDS in the workplace according to law.

### **Unit VI:**

#### Pesticide Application, Handling, Record-keeping, and Certification

1. Explain what to do with empty containers.
2. Describe ways to determine whether two pesticides can be safely mixed together for application.
3. List some benefits of record-keeping, and the type of information required for pesticide records in South Carolina.

4. Name actions needed to establish and maintain a safe storage site.
5. Name the reasons for using activated charcoal on the golf course.
6. Name the agency that regulates pesticide use in South Carolina.
7. Describe the licensing requirements for pesticide applicators in South Carolina.
8. Name the classes and categories of applicators in South Carolina.

**COURSE LEARNING OUTCOMES and ASSESSMENTS\*:**

**EXAMPLE 1 - Module #2**

**Materials Covered:** Pesticide Label

**\*Assessment(s):** Core Exam

**Learning Outcomes:**

1. Distinguish among the terms “common name”, “chemical name”, and “brand name”, and identify which to use to most accurately identify a pesticide product
2. Recognize and define signal words on pesticide labels
3. Identify the meaning of “Restricted Use” classification and explain where to look for it on pesticide labeling.

**EXAMPLE 1 - Module #1**

**Materials Covered:** Introduction to pest and Pesticides

**\*Assessment(s):** Category Exam

**Learning Outcomes:**

1. Explain what is meant by prevention, suppression, and eradication of pests
2. Describe “thresholds” and why they are an important consideration in developing a pest control strategy.
3. Define “integrated pest management” and list several possible control tactics that may be used in an IPM Strategy.

**\*Students – please refer to the Instructor’s Course Information sheet for specific information on assessments and due dates.**

## Part III: Grading and Assessment

### EVALUATION OF REQUIRED COURSE MEASURES/ARTIFACTS\*

Students' performance will be assessed and the weight associated with the various measures/artifacts are listed below. Failure to PASS the State of South Carolina Department of Pesticide Regulation Core and Category 3 exam will result in an F.

#### EVALUATION\*

Tests	50%
Lab	50%
	<hr/>
	100%

***\*Students, for the specific number and type of evaluations, please refer to the Instructor's Course Information Sheet.***

#### GRADING SYSTEM:

State the College's or departmental grading system as delineated in the Catalog. Please note the College adheres to a 10 point grading scale A = 100 – 90, B = 89- 80, C = 79 – 70, D = 69 – 60, F = 59 and below. You must have your Dean's approval if changes in the scale are made.

Grades earned in courses impact academic progression and financial aid status. Before withdrawing from a course, be sure to talk with your instructor and financial aid counselor about the implications of that course of action. Ds, Fs, Ws, WFs and Is also negatively impact academic progression and financial aid status.

The Add/Drop Period is the first 5 days of the semester for **full term** classes. Add/Drop periods are shorter for accelerated format courses. Please refer to the academic calendar for deadlines for add/drop ([ACADEMIC CALENDAR](#)). You must attend at least one meeting of all of your classes during that period. If you do not, you will be dropped from the course(s) and your Financial Aid will be reduced accordingly.

## Part IV: Attendance

Horry-Georgetown Technical College maintains a general attendance policy requiring students to be present for a minimum of 80 percent (80%) of their classes in order to receive credit for any course. Due to the varied nature of courses taught at the college, some faculty may require up to 90 percent (90%) attendance. Pursuant to 34 Code of Federal Regulations 228.22 - Return to Title IV Funds, once a student has missed over 20% of the course or has missed two (2) consecutive weeks, the faculty is obligated to withdraw the student and a student may not be permitted to reenroll. **Instructors define absentee limits for their class at the beginning of each term; please refer to the Instructor Course Information Sheet.**

## Part V: Student Resources

### The Student Success and Tutoring Center (SSTC)

The SSTC offers to all students the following **free** resources:

- 1. Academic coaches** for most subject areas, **Writing Center Support**, and **college success skills**.
- 2. On-line student success and academic support resources.**

Visit the SSTC website: [Student Success & Tutoring Center](#) and visit the student services tab in your WaveNet account to schedule appointments using TutorTrac. For more information, call: SSTC Conway, 349-7872; SSTC Grand Strand, 477-2113; and SSTC Georgetown, 520-1455 or go to the [Online Resource Center](#) to access on-demand resources any time.

### TECH Central – Student Information Center

TECH Central provides quality enrollment and collegiate guidance for students, faculty, and staff. Services include phone, walk-in, and online technical support for technology training and troubleshooting. Additionally, we offer support in Office 365, Outlook E-mail setup, and ID cards.

**Phone:** 843-349-5340

**Email:** [techcentral@hgtc.edu](mailto:techcentral@hgtc.edu)

**Text:** 843-357-8552

**TECH Talk (Live Chat):** Located on the "Home" tab in WaveNet.

**Website:** [www.hgtc.edu/techcentral](http://www.hgtc.edu/techcentral)

#### **Locations:**

Conway Building 1100, Room 132D

Grand Strand Building 200, Room 136

**Student Testing:** (If course is offered in multiple format include this section, delete if only F2F sections are offered.)

Testing in an **online/hybrid** course may be accomplished in a variety of ways:

- Test administered within D2L
- Test administered in writing on paper
- Test administered through Publisher Platforms

Further more tests may have time limits and/or require a proctor.

Proctoring can be accomplished either face-to-face at an approved site or online through RPNOW, our online proctoring service. To find out more about proctoring services, please visit the [Online Testing](#) section of the HGTC's Testing Center webpage.

The **Instructor Information Sheet** will have more details on test requirements for your course.

## **Disability Services:**

HGTC is committed to providing an accessible environment for students with disabilities. Inquiries may be directed to Beth Havens, Director of Student Development on the Conway Campus Jaime Davis, Counselor/Advisor on the Georgetown Campus or Kristin Griffin, Counselor on the Grand Strand Campus. These individuals will review documentation of the student's disability and, in a confidential setting with the student, develop an educational accommodation plan.

Note: It is the student's responsibility to self-identify as needing accommodations and to provide acceptable documentation. After a student has self-identified and submitted documentation of a disability, accommodations may be determined, accepted, and provided.

### **Statement of Equal Opportunity/Non-Discrimination Statement**

Horry-Georgetown Technical College prohibits discrimination and harassment, including sexual harassment and abuse, on the basis of race, color, sex, national or ethnic origin, age, religion, disability, marital or family status, veteran status, political ideas, sexual orientation, gender identity, or pregnancy, childbirth, or related medical conditions, including, but not limited to, lactation in educational programs and/or activities.

Inquiries regarding the non-discrimination policies: Students and prospective student inquiries concerning Section 504, Title II, and Title IX and their application to the College or any student decision may be directed to the Vice President for Student Affairs, Dr. Melissa Batten, VP Student Affairs, Title IX Coordinator, Building 1100, Room 107A, Conway Campus, PO Box 261966, Conway, SC 29528-6066, 843-349-5228, [Melissa.Batten@hgtc.edu](mailto:Melissa.Batten@hgtc.edu). Employee and applicant inquiries concerning Section 504, Title II, and Title IX and their application to the College may be directed to the Vice President for Human Resources, Jacquelyne Snyder, VP Human Resources, Section 504, Title II, and Title IX Coordinator, Building 200, Room 212A, Conway Campus, PO Box 261966, Conway, SC 29528-6066, 843-349-5212, [Jacquelyne.Snyder@hgtc.edu](mailto:Jacquelyne.Snyder@hgtc.edu).

### **Title IX Requirements**

All students (as well as other persons) at Horry-Georgetown Technical College are protected by Title IX—regardless of their sex, sexual orientation, gender identity, part- or full-time status, disability, race, or national origin—in all aspects of educational programs and activities. Any student, or other member of the college community, who believes that he/she is or has been a victim of sexual harassment or sexual violence may file a report with the college's Chief Student Services Officer, campus law enforcement, or with the college's Title IX Coordinator, or designee.

\*Faculty and Staff are required to report incidents to the Title IX Coordinators when involving students. The only HGTC employees exempt from mandatory reporting are licensed mental health professionals (only as part of their job description such as counseling services).
